RE: Site Inspection, Rex Harris, State ML 43395 - Fossils, S/027/011, Millard County, Utah

Date of Inspection: March 21, 2001
Time of Inspection: p.m.
Conditions: Sunny
Participants: Larry Garahana, BLM; Tom Munson, DOGM

Purpose of Inspection: To visit the site while in the area

Visited site while in the area. While there, ran into Kenneth Meyer who digs for trilobites for Rex Harris. They have created a small 20 x 40 foot area for digging trilobites. Ken informed us that Rex was going to do some reclamation on the older areas, but it didn't appear that anything had been done except the new disturbance.
